2. The following is an examiner's statement of reasons for allowance.

The present invention is directed to a system for editing a plurality of clips to produce an edit resultant clip managed by a hierarchical link structure.

The prior arts, Klingler et al. and Corella et al., teach editing systems comprising of modification flags however fail to anticipate or render the above cited limitation obvious. The closest art, Ching et al. (US 6,407,761, col.7, lines 1-9), teaches a system of resetting flags in a tree structure in response to the modification of a single item, however, Ching et al. is not applicable as a prior art.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
